
THE NH TRAINING INSTITUTE ON ADDICTIVE DISORDERS

Presents:

ETHICS & BOUNDARIES FOR SUBSTANCE ABUSE AND OTHER MENTAL HEALTH PROVIDERS

with **Jacqui Abikoff, LICSW, MLADC**

A 6 HOUR TRAINING EVENT ON FRIDAY, MAY 7, 2010

8:30 a.m. – 3:30 p.m. (registration begins at 8:00 a.m.)

at Dr. Thomas Fox Memorial Chapel, Main Bldg., 105 Pleasant Street, Concord, NH

DESCRIPTION OF THE PRESENTATION: Boundary issues, dual relationships and ethical conflicts among competing professional allegiances and responsibilities can require difficult decisions on the part of substance abuse and mental health professionals. The likelihood of business and social contact between counselors and current or former clients is significantly increased in rural settings as well as for counselors and supervisors who may be in long term recovery themselves. This workshop will examine common ethical issues and conflicts faced by substance abuse counselors in the usual course of practice. It will focus specifically on boundary issues, dual relationships and confidentiality issues and provide frameworks for sorting out priorities and competing loyalties in order to make the best decisions possible. Ethical conflicts and dilemmas will be addressed through discussion and case analysis. Strategies for managing these conflicts will be explored. Participants are encouraged to bring examples of ethical conflicts they have encountered in their own practice for discussion.

CPS Category: Ethics (FOR RECERTIFICATION ONLY! These contact hours cannot be used of initial CPS certification.)

LADC Performance Domains: I - V Categories of Competence: 1 - 18
