

URGENT Action Alert !

HB 410 is scheduled to be voted on by the full House of Representatives on January 6, 2009.

The time to act is NOW!

It is urgent that as many people as possible call their representatives in the NH House of Representatives. Call your representatives on January 4th and 5th (or evening of Jan. 3rd) to urge them to vote to pass HB 410.

On November 19, 2009 the Executive Departments & Administration Committee (ED&A) of the House of Representatives voted UNANIMOUSLY to send HB410 as amended to the full House of Representatives with a recommendation that it ought to pass.

Many of the members of the House of Representatives will have limited information about this bill. It is *IMPERATIVE* that you contact the people who represent you in the legislature to educate them on the importance of this bill for our profession and our clients.

Tell your legislators that the members of the ED&A Committee gave a great deal of time, research and

careful consideration to their recommendation that HB 410 ought to pass. Urge them to uphold the carefully made decision of this well respected committee by voting YES on HB 410.
