Each year Home Instead Senior Care offices spread holiday cheer to lonely or financially-challenged seniors through the Be a Santa to a Senior program. Area businesses and community members, along with agencies that serve older adults, collaborate to ensure that isolated seniors receive gifts and holiday cheer. Last year was one of their best years, collecting over 300 gifts for seniors in need! For more information on the Be a Santa to a Senior program, visit BeASantaToASenior.com.
